## **DBRS Places One Class of CWABS Asset-Backed Certificates Trust 2004-AB2 Under Review with Negative Implications**

**Industry: Sec.--RMBS**

DBRS has today placed one class of CWABS Asset-Backed Certificates Trust 2004-AB2 Under Review with Negative Implications.

-- \$16.537 million Asset-Backed Certificates, Series 2004-AB2, Class B, currently rated BBB (high)

The above rating was placed Under Review with Negative Implications as a result of the increased 90+ day delinquency pipeline relative to the available level of credit enhancement. The mortgage loans consist of adjustable-rate first-lien mortgage loans. The mortgage loans in the Underlying Trusts were originated by Countrywide Home Loans, Inc.

Note:

All figures are in U.S. dollars unless otherwise noted.
